EXPERIENCE THE HOSPITALITY AND ADVENTURE OF AFRICA

From all corners of the world, the visitor journeys to catch a glimpse of celebrated Africa and all the natural wonders it has to offer. From glorious animals that roamed the continent for hundreds of years to scenery untouched for thousands. This is the heart of Africa experienced at Swartkei Safaris.

Swartkei Safaris is a fifth generation family run operation by brothers Philip and Charles Price with their wives Sharnell and Angela overseeing all your home comforts.

Situated in the Eastern Cape, South Africa, home to species found nowhere else in Africa, we offer some of the finest plains game hunting. Our magnificent range of trophies have been conserved through five generations of professional game management.

Swartkei Safaris consists of three privately owned areas all within a two-hour drive of each other. They are Bowers Hope Lodge nestled in the Winterberg Highlands, Zingela Lodge in the arid Fish river valley and Puti River Lodge overlooking the Indian Ocean.

The Price family invites you to visit Swartkei Safaris and experience the magnetic allure of Africa that draws visitors back time and time again.
